

SMALL TOOLS LISTING

The following is a listing of the typical items that Purchaser has classified as small tools, minor equipment, expendable and consumable material, and personal safety equipment. This list is not necessarily all encompassing, but serves as the guideline to the classification of the small tool charge. As such, all items falling within the small tool charge definition (initial cost of \$4,000 or less) are not separately reimbursable by Purchaser.

Adapters (All Types)	Lanterns & similar devices
Air Arc Torches	Lens: welding, chipping, shield
Air Line Lubricates	Levels: carpenter, machinists, pipe, engineers
Air Staple Gun	Light Stringers
Allen Wrenches	Lighters: torch
Axes	Lights: low voltage, trouble
Barrels (water, trash, etc.)	Locks: temporary
Barricades – Safety	Mallets
Bars: crow, pry, pinch, wrecking	Mandrel: hole saw
Batteries	Mattocks
Belts: safety with lanyards	Micrometers: inside, outside
Benders: hand or electric	Mops
Binders: load	Mortar Box, Concrete Mixer
Bits, rock	Nibblers: electric
Bits, wood & steel	Office Furniture
Blocks: snatch, tackle, wire rope	Office Supplies: pens, paper, etc.
Bolt Cutters	Oil Cans
Boots	Overshoes, rubber boots
Brace: carpenters, sheet metal	Pails & Containers
Brooms	Paint (for use on temporary structures, etc.
Brushes	Paint Brushes
Buggies: concrete, tool	Paper (sand-emery)
Burning Outfits: burning, welding, heating	Phones, Radio Transceiver-walkie talkie
Cable Reel Jacks	Picks
Cable Welding	Pipe, fittings, valves (for temporary services)
Cable: temporary wiring	Plasma Arc Welder Cutter: 40 amps
Cable: wire rope	Pliers
Calipers	Plum Bobs
Carborundum blocks	Points,moil, chipping, etc.
Carts: welding, burning	Protective Clothing
Caulking Guns	Pullers: nail
Chains, Chain Falls	Pumps: hand
Chalk, Chalk Line	Punches: hand
Checks, brass	Rams: hydraulic
Chisels: hand, hand tool	Ratchets: hand, ¼,½,¾ drives, steamboats
Choker Slings	Reamers: pipe
Clamps: “C” (all sizes), welder, wire rope, pipe	Regulator Adapters
Cleaning Compounds, solvents, rags & waste	Regulators: oxygen, gases
Coats, Raingear	Respirators
Come-A-Longs	Rollers, wood or steel
Connectors (all types)	Rope, manilla or other fiber
Containers: water, ice, cups	Rulers
Copying Machines	Runaways, screens, etc. for concrete placing
Coveralls: paper, cloth	Rust Knocker
Crayon, lumber	Safety Belts/Harnesses/Lanyards
Cups, paper	Salamanders
Cutting Tools	Saws & Saw Blades
Desks	Scaffold: 20’, 24’ alum pick
Dial Indicators	Scrapers
Die Heads & Stocks: pipe, bolt	Screens, sand
Dollies: pipe, roller	Screw Extractor Sets
Drill Bits: masonry	Screwdrivers: hand
Drill Stands	Scribes

Drills: portable, electric, hand up to 1¼	Shackles
Electric Light Bulbs	Shears
Electrical Fittings (temporary power & light)	Sheet metal Brake < 24"
Electrode Holders & Whip	Shovels
Employee protective equipment/gear	Slag, etc. (temporary use)
Engineering Supplies: tapes, rules	Sleeves for welder's protection
Extension Cords	Slings
Extinguishers: fire hand operated	Snips: tin
Fans	Soap: hand, liquid, stones
Files	Solder
Filing Cabinets	Squares
Film	Steel plate & shapes for temporary supports, etc.
Filters: respirators	Straight edges
Fire Blanket	Tables & Chairs
Fire Extinguishers	Tampers: pneumatic, hand
First-Aid Supplies	Tanks: fuel storage
Flashlights: batteries & bulbs	Tape, rubber & friction, etc. (temporary use)
Flints: welding torch lighter	Tape: measuring
Floats: cement, hand	Taps: bolt, pipe
Form lubricants	Tarpaulins
Form materials, all including supports	Telephone facilities & calls
Friction Lighters	Tempilstiks
Gas & oxygen for cutting, etc.	Threaders: hand, pike bolt
Gauges: depth, thickness, pressure	Timber mats, cribbing, blocking, etc.
Generator: gasoline 1 KW to 1½ KW	Tips, cutting & welding
Glass: welding hood, goggles	Toilet Paper
Gloves	Toolboxes
Goggles	Torch: cutting, heating, welding
Grease Gun	Towels: cloth, paper
Grinders	Transits
Hacksaw Frames	Trolleys
Hammers	Trowels
Hand Cleaner	Trucks: hand
Handles (all)	Tugger: single drum 1K lbs.
Hard Hats & Liners	Turnbuckles
Hatchets	Tyvek suits (non-abatement work)
Heli-Arc Rigs and Parts	Vises: pipe, machinist, bench
Helmets: welding	Visqueen, etc.
Hoes	Water dispensers (portable)
Hoists	Wedges, steel
Hole Saws	Weld rod (for both permanent & temporary use)
Hoods: welding, grinding	Weld test specimens
Hose, fire (temporary)	Welder: machine 30 amp, one hand, tips
Hose: water, 1½ OD Air x 50', air tool tail w/connectors	Welding rod ovens
Ice Machines	Wheelbarrows
Iron: soldering	Wheels, burrs, etc., for grinding
Jacks: hydraulic hand, <20 ton	Wire brushes
Janitor's supplies	Wire for temporary construction
Keys: allen, drill chuck	Wrecking Bar
Knives: putty, electricians	Wrench: 1" air impact
Ladders: step, extension	Wrenches: all types
